# CITY OF TEMPLE CROSSROADS PARK

# CITY OF TEMPLE CROSSROADS PARK

TEMPLE, TX

The City of Temple, as a part of its 2015 Parks Bond, approved the design and construction of a 300+ acre community park located at Research Parkway and Prairie View in West Temple. The complete build-out includes:

- Baseball and softball fields
- Volleyball and basketball courts
- Playground
- Soccer fields
- Splash pad and water park
- Recreation center
- Tennis complex
- Pavilions
- Dog park
- Skate park
- Lake with fishing pier
- Practice fields
- Amphitheatre
- Open play area
- Restroom facilities

The MRB architectural team were the lead architects, in collaboration with civil engineers KPA, and other design professionals.

## PROJECT DETAILS

Contact: Tanya Reed, A.I.A.

Completion Date: Completed in 2020

Project Role: Architecture

# 300+

## Acre Community Park

Phase I was inclusive of all the site construction, infrastructure for the park, and the required detention pond.

The design of Phase II was completed in late 2017. Wright Builders completed construction in 2020. The overall estimated cost of the project was \$11.2 million.

### About MRB Group

MRB Group is an engineering, architecture and planning firm that specializes in municipal support. The firm currently assists more than 150 cities, towns, villages, and counties with design and operational support for public works functions, architecture for rehabilitation of public facilities, and asset management to preserve and maintain critical community infrastructure, like water and wastewater systems. MRB Group also provides long term strategic planning, development reviews and planning board support, as well as economic development services in an effort to strengthen and support local governments and their leadership.
